Dear Mr. Boland:

We have reviewed your letter dated 26 July 1993 requesting our approval of your coating systems. For Saltwater ballast tanks, sanitation tanks, voids, and cofferdams, the following coating systems are hereby approved: Black Corrosion Master at 20 mils; also White Corrosion Master at 20 mils; also Corrosion Battler for applications requiring flotation coating.

COMSC Instruction 4750.2C, Preservation Instructions for MSC Ships will be updated accordingly.

The MSC Engineering Directorate point of contact for this matter is John Burkhardt at (202) 433-0258.
